The Commons and Stingers now offer guests the convenience of a takeout option as an alternative to dining in the main dining area.

The Takeout Club works as follows:

- This form is valid only for the fall 2018 semester. Participation in the Takeout Club for fall 2018 is included with Residential and Faculty/Staff meal plans. All guests must sign up once each semester to participate in the Takeout Club.
- A non-refundable fee of \$5.00 is required for non-residential students to receive a take-out container and must be paid before takeout privileges can begin. This price covers the cost of the take-out container.
- Students may pay with KCash or Dining Dollars; funds can be deposited online at mycard.kennesaw.edu or at any campus PHiL station.
- You must choose to either dine in The Commons or Stingers or take your meal to go. All-you-care-to-eat privileges are not valid for takeout.
- Take-out containers for food will be provided by University Dining. Outside containers for food are not allowed.
- All reusable containers MUST be emptied and rinsed before they are returned. Dirty containers will not be accepted.
- Guests are permitted one take-out container per visit. The container may not be overfilled and the lid must be able to close completely.
- Guests may only be in the possession of one take-out container at any time.
- Cups will be provided for beverages along with the take-out container. Other cups will not be permitted.
- All served items (e.g. steak, grilled chicken, hamburgers, etc.) will be limited to one portion per guest.
- Abuse of the Takeout Club may lead to forfeiture of all takeout privileges and the participation fee.
- Replacement of lost containers or tokens will require the purchase a new container for \$5.00 in order to continue.
- University Dining reserves the right to alter or terminate the Takeout Club at any time.
