The Commons and Stingers now offers guests the convenience of a takeout option as an alternative to dining in the main dining area. Participation in the takeout program for Summer 2018 requires a one-time cost of \$5.00, which covers the cost of the takeout containers. The takeout program works as follows:

- This form is valid only for the Summer 2018 semester. Guests must sign up once each semester to participate.
- A non-refundable fee of \$5.00 is required to receive a take-out container and must be paid before takeout privileges can begin.
- You may pay with your K-Cash or Dining Dollars account; funds can be deposited online or at any campus PHiL station.
- You must choose to *either* dine in The Commons or Stingers *or* take your meal to-go. All-you-care-to-eat privileges are not valid for takeout.
- Takeout containers for food will be provided by University Dining. Outside containers for food are not allowable.
- All reusable containers **MUST** be emptied and rinsed before they are returned. Dirty containers will not be accepted.
- Guests are permitted one takeout container per visit, it may not be over filled, and the lid must be able to close properly.
- Guests may only be in the possession of one container at any time.
- Cups will be provided for beverages along with the takeout container. Other cups will not be permitted.
- All served items (e.g. steak, grilled chicken, hamburgers, etc.) will be limited to one portion per guest.
- Abuse of the takeout program may lead to forfeiture of all takeout privileges and the participation fee.
- Replacement of lost containers or tokens will require the purchase a new container for \$5.00 in order to continue take-out use.
- University Dining reserves the right to alter or terminate the takeout program at any time.
